PICKUP

To streamline service for all, please arrive five to ten minutes early and wait at the Bus Stop Sign for the bus to arrive.

Example of Huntsville Transit Bus Stop Signs. Each sign includes route information specific to your particular stop.

TRANSFERRING

As you get on the bus and pay your fare, let your driver know that you'll need a transfer. Be sure to be specific about where you're going and where you'll need to transfer.

When you board your connecting bus, present your transfer to the new bus driver. This allows you to continue your trip without paying another fare.

Remember, a transfer is good only for the next connecting bus and is nontransferable.

STOPPING THE BUS

When the bus driver gets close to your stop, pull the signal device nearest you located above the windows. The driver will stop at the next Orbit bus location.
